

JOIN *THE FIGHT!*

UHW Contract Action Team (CAT) FIGHTING FOR OUR FUTURE * HONORING OUR WORK * BUILDING OUR STRENGTH * RESPECT & DIGNITY

This year we will be negotiating a new union contract, giving us the opportunity to make improvements above and beyond our current contract, which expires on December 31, 2006. To be successful, we need your help now and for the next few months. We are asking you to join the Contract Action Team (CAT), a committee of members who will work on this next round of bargaining.

When negotiating a contract, information is a valuable tool, so it's imperative that all members are able to stay informed about what's happening at the bargaining table. As a CAT member, you will play the important role of keeping your co-workers updated on progress at the negotiating table and communicating their ideas and concerns to the bargaining committee. YOU will be the eyes and ears of the members in your department and on your shift.

We all know there is strength in numbers - winning improvements in our contract requires commitment and involvement from all of us. Join the fight today and sign up to become a UHW CAT member!

CAT Member Responsibilities:

- Convey membership concerns and attitudes to the negotiating committee.
- Assist in basic research for negotiations.
- Distribute updated information on negotiations to the membership.
- Maintain union visibility in the workplace.
- Assist in organizing community, political and legislative support for negotiations.
- Organize escalating worksite action in coordination with negotiations in progress.
